

CITY SELECT SECOND SEAT KIT

Assembly Instructions

This Kit Includes:

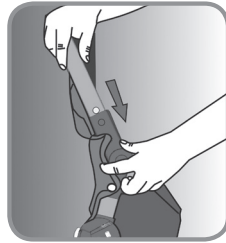

- 1 City Select Seat
- 2 Adaptor Brackets

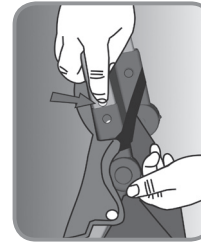

Adaptor Brackets

WARNING:

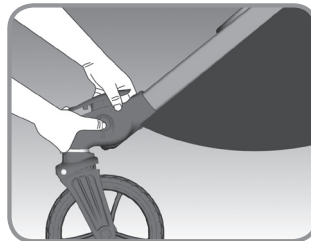

Always remove child from seat before removing seat from frame.

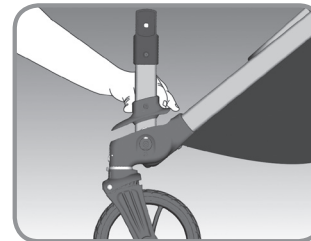

- 1** Turn seat over and insert foot bar into bracket.

- 2** Press gray button on foot bar and slide the foot bar into the bracket until it clicks into place.

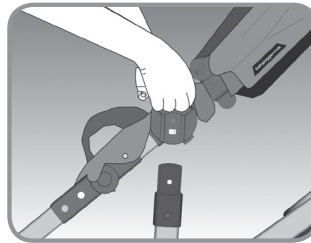

- 3** Remove front mounting bracket plugs by firmly pressing the black button located above the front wheel and pulling up on the plug.

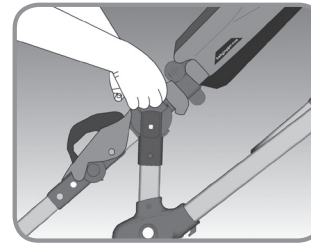

NOTE: The Adaptor Brackets are labeled with an L or R for your convenience.

- 4** Insert right Adaptor Bracket into the right mounting bracket until it clicks into place. Repeat on left side.

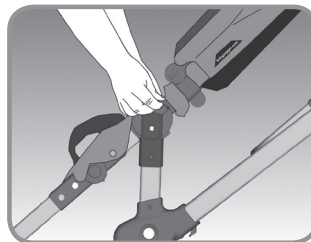

- 5** Align mounting brackets on the second seat with the top of the Adaptor Brackets.

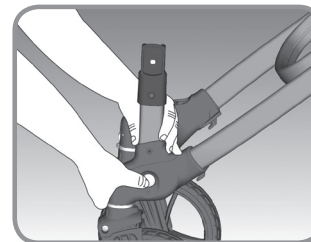

- 6** Insert seat onto Adaptor Brackets until it clicks into place.

To Remove the City Select Second Seat:

- 1** Remove child from seat. Press grey buttons on seat mounting brackets and pull up until the seat detaches.

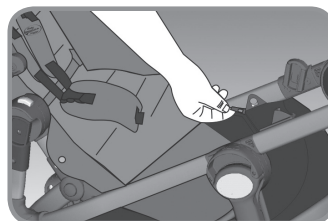

- 2** Press silver button on right Adaptor Bracket and pull upwards. Repeat on left side.

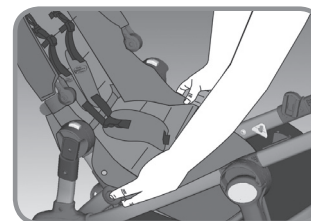

NOTE: Replace mounting bracket plugs when second seat is not in use.

When Rear Facing:

NOTE: Your City Select Second Seat Kit can also be used facing the rear of the stroller.

To make room for the seat's footwell: Unzip the right front and left front portions of the basket.

To adjust the footwell: Press both buttons on the side of the footwell and pull footwell upwards.
